Joint discussions about the future continue

Battle River School Division and The Cornerstone Christian Academy of Camrose are continuing discussions regarding the future of Cornerstone Christian Academy, located in Kingman, Alberta.

Representatives of the two groups met on Monday, September 11. Discussions went well, with members of both parties providing ideas and suggestions for moving forward together in a positive way. The meeting ended with a sense that both groups had gained additional understanding of the other's concerns and needs. Further meeting dates are being scheduled for the weeks ahead.

Both The Cornerstone Christian Academy of Camrose and Battle River School Division have committed to working on joint updates, such as this one, to keep parents and staff informed as discussions continue.

It is the intent of both groups to support the school in achieving both the BRSD vision of *Every Student, Every Day, A Success* and the Cornerstone mission statement: *Believing. Learning. Acting. Growing. Created by God to be an influence in the world.*

Thank you for your patience and support as we move forward.
