Numbers not enough for BRSD to offer Christian Programming

Following requests from parents to have Christian programming available in both Camrose and Tofield, Battle River School Division has been exploring the possibility of offering a *Logos Christian Program* in those communities.

In Camrose, an information night was held last spring, which generated enough interest for the school division to go further in the planning process. This winter, Camrose parents were invited to register for the program, with a sign-up deadline of February 28.

In Tofield, an information night took place in January of 2018, with parents asked to express their interest in the program by mid-February.

A number of intent forms and registration forms were submitted in each community, but in the end, the responses indicate there are simply not enough families expressing interest to make up a viable program.

As a result, Battle River School Division will not be proceeding further with discussions about a *Logos Christian Program* in either of Tofield or Camrose.

If you'd like further information please feel free to contact Diana White, Director of Learning Services or Diane Hutchinson, Community Relations Advisor, for Battle River School Division. They can both be reached at 780-672-6131.
