

Battle River School Division – Summer School

Suite 2, 4412- 56St Camrose AB T4V 5K4

Hello!

We are happy to let you know that Battle River School Division is once again offering Summer School. Summer School will only be offered online this year. Students must have a Chromebook or computer to be able to complete their school work. You will be working from home – not at the school.

Summer School begins July 5th and ends July 30th. Because you will be completing an entire course in only four weeks, please be prepared to spend 5-6 hours a day on your course work.

Students are able to register in one course, as well as a three credit course bundle if they choose. There is a non-refundable \$45 fee for all BRSD students. To begin your course selection process, please go to your school website. Under 'Quick Links', select 'Online Payment and Ordering'. Sign in or create an account, if you or your parents haven't created one already. You should now see the BRSD Summer School link!

Please note that once you have submitted the online course selection and payment, you must complete the paper registration form and scan/email it to lhoff@brsd.ab.ca at Camrose Outreach School/Summer School. Payment and course selection only holds your spot. Without the registration form, you are not considered registered. Please make sure everything is completed fully, signed and dated, or your form will not be valid.

Students will receive an email verification once ALL pieces of the registration process are received. Further information will be provided to registered students in June regarding textbooks and beginning their course.

Please note there is a course cap this year. If you are interested in taking one of the offered courses, don't delay in registering. On April 6th, students outside of BRSD will also be able to register for Summer School. Registration will close no later than May 15th, but once courses are full, they will no longer be available.

If you have any questions, please feel free to contact me at 780-672-2205. We look forward to working with you at Summer School!

Yours truly,

Mrs. Laura Swanson
